

UCS

est. 1967

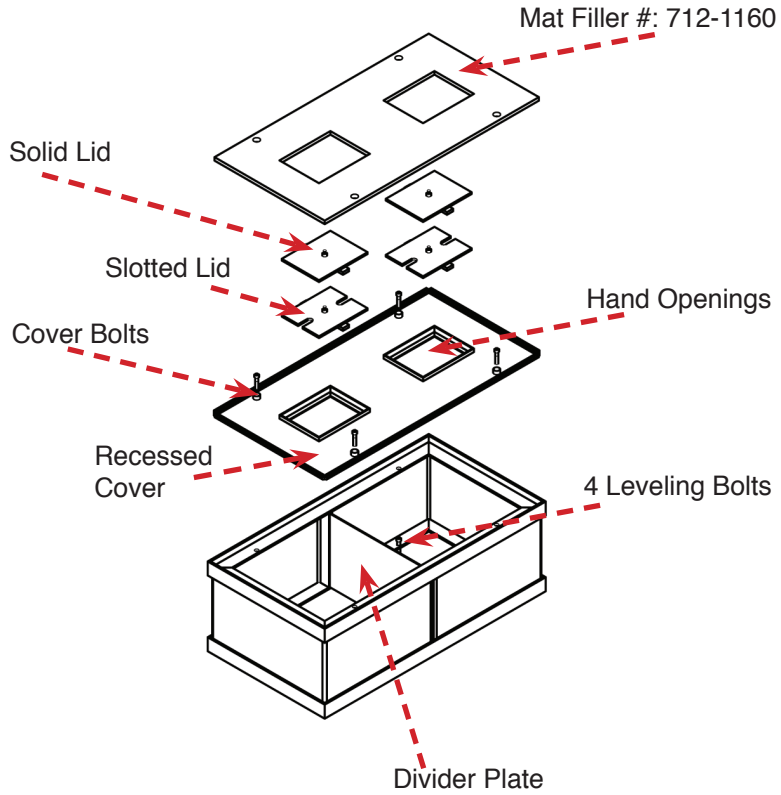

Congratulations on your new Communication Box purchase. UCS has been represented at four Olympic Games, NCAA Championships, US Olympic Trials and US Track & Field national championships. UCS is also the only manufacturer installed at every IAAF Certified Facility in the USA. Your dedication to excellence inspires our efforts to bring you the finest engineered and manufactured "Made in the U.S.A." products.

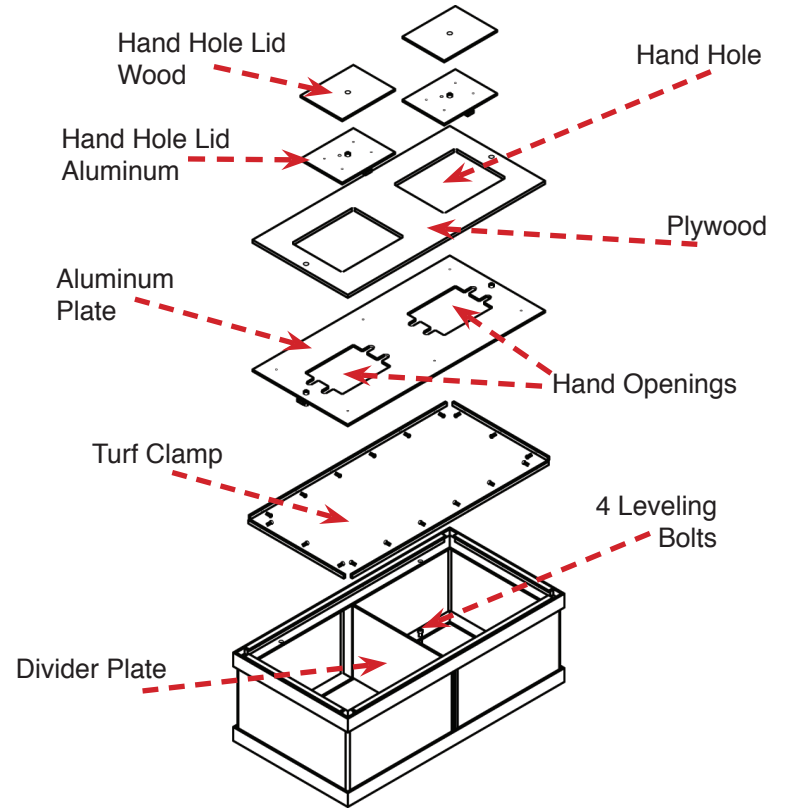

MADE IN THE USA

FOR SYNTHETIC SURFACING

FOR ARTIFICIAL TURF OR GRASS

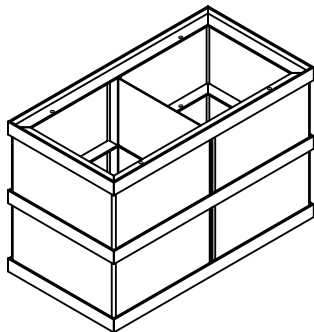

General Information

- Communication boxes should be properly installed as per general installation instructions.

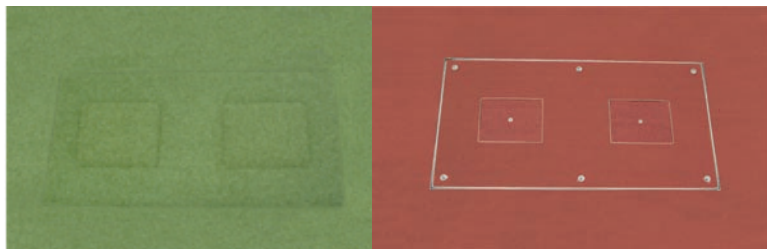

- Ensure box is flush with surrounding surface to eliminate tripping hazards.

- It is best to use a certified electrician when dealing with live wires.

- If more space is needed, purchase a UCS communication box riser (712-1170). Do not forcibly shove excessive amounts of wires into the box.

Communication Box Riser 712-1170
