Caring for your Starting Block

- Store starting blocks inside after each use.
- Check starting blocks at the beginning and end of each season to make sure they are in good working condition.
- Make sure the starting block is assembled correctly and the screws are secure. Any missing parts should be replaced before use.
- Use a UCS Starting Block Caddy to transport the starting blocks.

- DO NOT DROP BLOCK PEDALS AS DAMAGE MAY RESULT
- BE CAREFUL OF PINCH POINTS AND SPIKES ON THE RAIL

Thank you for choosing UCS for your new starting block. We highly value and appreciate your business and consideration when purchasing top quality athletic equipment. We are confident our equipment will exceed your needs and demands. Thank you again, and we look forward to serving you again soon.

Sincerely, The UCS Team
