## Warning

*Strength and conditioning is a serious activity which presents hazards. When hazards are not avoided, accidents could lead to serious injury or death.*

- Keep children away.
- Keep body and clothing free and clear of all moving parts.
- Inspect machine before use. Refrain from use if the machine appears to be inoperable.
- Prior to use, read the warning labels and instruction placards affixed to the machine.
- If you are unsure on how to use the machine, ask for advice from a professional or call UCS.
- Do not attempt to use or fix

any piece of equipment that is not functioning properly.

- Do not place hands where pinch points exist, points are rear back pad support; horizontal support rail; seat adjustment point.

## Care Guide

- Regularly clean the bearings and the spring clip using compressed air.
- Wipe padding using mild soap and water mixture.
- Wipe metal with damp cloth using an all purpose cleaner.
- Touch up paint can be attained through UCS.
- Annual tightening of the bench will prevent destabilization.

## Congratulations!
