Caring for your Indicator Board

- Store indicator boards inside after each use.
- Do not use indicator boards during inclement weather, especially lightning storms.
- Check indicator boards at the beginning and end of each season to make sure they are in good working condition.
- Although boards have a tilt and roll mechanism, have good footing and move slowly.
- Additional single digits may be purchased from UCS.

Congratulations!

You've made a sound investment by selecting UCS equipment. The innovative design and expert craftsmanship will enhance your facility, maximize safety, and improve the competitive experience for athletes, coaches, and spectators alike.

Feel free to contact us for assistance regarding maintenance, accessories, or upgrades. We welcome the opportunity to serve you.
